Prayer Organizations

Welcome to our organizations' section. We want to help you promote prayer and revival within your church and sphere of influence. To do that we will provide you with practical information that can be a resource to you. There are currently more than 200 ministries across the United States that have some involvement encouraging and training churches and individuals in the areas of prayer and revival. Our goal is to provide you with contact and link information on as many of these Christian prayer and revival organizations/ministries as we can find. (Note: we will only list those ministries that adhere to the Lausanne Covenant.)

We have divided organizations into International, National, Regional, and Denominational ministries. You will notice that there is crossover between listings--many ministries are listed in more than one category. We did that for a number of reasons. First, a ministry's scope may be local (e.g. US/DC Prayer Watch--a ministry to encourage prayer for Washington, DC) but its reach may be national (US/DC is raising up intercessors across the nation to pray for our nation's capital). Second, we did it to help you plan seminars, prayer conferences, and find special speakers. As you plan a prayer event, if you know what ministries are closest to you, that can help you save expenses.
