Bible Prayer Fellowship

Bible Prayer Fellowship is training families, small groups and churches to unite in prayer claiming the presence of Christ, trusting Him to actively take charge, change each one as He sees fit and bring the group into harmony with our Father in heaven and with one another. Its website has a leader's guide for this training. Bible Prayer Fellowship also distributes a book written by its director, Oliver W. Price, *The Power of Praying Together: Experiencing Christ Actively in Charge* (Kregel Publications), which explains this concept of Christ-centered prayer more fully. It also publishes a free monthly paper called *Revival Insights*, distributes cassette messages, and produces for Christian radio stations "God Save America," a one minute call to prayer for revival. Eagles Wings (NPC)

The Day of Prayer for the Peace of Jerusalem is held on the first Sunday of every October with a call for sustained, fervent, informed and global intercession for the plans and purposes of God for Jerusalem and all her people. This worldwide grassroots prayer initiative coincides with the season of Yom Kippur, recognizing the Jewish roots of the Christian faith.

It has been instituted with the endorsement of Christian leaders of all denominations and differing politics from around the world. These Christian Leaders recognize that Scripture consistently and repeatedly calls us to pray for the Peace of Jerusalem and the current tragedy, bloodshed, and loss of innocent life in both sides of this conflict warrant at least one day of unified intercession from the worldwide Church for this strategic spiritual location. Over 72 nations participated in representing tens of millions of Christians in united prayer during its first international observance, and each year, the number grows. Rev. Robert Stearns of Eagles' Wings and Dr.

Jack Hayford of The Church on the Way serve together as co-chairmen of this mass prayer mobilization, representing the largest coalition of leaders of influence in the Body of Christ focused on prayer for Jerusalem. The Day of Prayer for the Peace of Jerusalem is coordinated by Eagles' Wings.

International Renewal Ministries (NPC)

IRM seeks to serve as a catalyst for unity and renewal in the Body of Christ by encouraging pastors and other spiritual leaders in a geographic area to spend time in corporate worship, prayer and ministry across racial and denominational lines. Our main vehicle is a Prayer Summit, which is defined as "A prolonged, typically four-day, life changing worship experience. It is attended by a diversity of Christian leaders from a specific, geographic community. Their sole purpose is to seek God, His kingdom, and His righteousness. The expectation is that God will create and guide them through a humbling, healing, uniting process, which will lead them to a unity of heart, mind and mission and qualify them for the blessing of God."

MARY GERMAIN INTERNATIONAL MINISTRIES, INC. (NPC)

This is a Worship/Prayer with Action Educational, Networking Ministry called to be "watchmen" (Eze. 33, Isa. 62:6,7); to GO and make disciples of ALL nations, sharing the transforming message of the Cross through Jesus Christ, the Father, and the Holy Spirit... the OIL OF HIS BEAUTY.

We build bridges of relationships that the gifts of God given to the Body of Christ will be fanned into flame (II Tim. 1:6), that true repentance, reconciliation, revival and restoration will take place between God and man, individuals to individuals and people groups to people groups, that we would not hide God's kindness from the next generations.

This is done through three divisions, that we would "move and have our being" in the God we know. (Acts 17 28a):
PURPOSING: that the Body of Christ would have a lifestyle of Worship, Prayer with Action according to the Word of God.
MOBILIZING: the Body of Christ in the teaching and distribution of educational material pertinent to the needs of a community, a nation and a country.
COMMUNICATING: the Revelation of Jesus Christ with a focus of serving Leadership in the Church, Business, Education, Media and Government locally, nationally and internationally.

Moms In Touch International (NPC)

MITI is an interdenominational prayer ministry composed of groups of two or more moms who meet one hour a week to pray for their children and the school they attend: moms in touch with God, their children, their schools, and one another through prayer. We pray that our schools may be directed by biblical values and high moral standards. We do not promote a political agenda, but rather desire to be a positive support and encouragement to the schools.

The World Prayer Center

The World Prayer Center facility is open for the dedicated purpose of continual prayer, praise and worship for New Life Church, the greater Colorado Springs community, and visitors to our region. The chapel is open to all worshippers; with worship teams and prayer leaders scheduled regularly to focus on a variety of prayer needs. Additionally, the facility houses a state-of-art-call center where volunteers can pray for people around the world, and we are honored that He has chosen us to serve the body of Christ in this way.
