Price, *The Power of Praying Together: Experiencing Christ Actively in Charge* (Kregel Publications), which explains this concept of Christ-centered prayer more fully. Called to Serve Prayer Ministry (NPC)

Coming alongside pastors and church "prayer ministry" leaders to provide encouragement and equipping, the "prayer coaches" of Called to Serve believe it is as fundamentally vital to the effectiveness of the local church's "prayer ministry" to have a basic goal and "game-plan" as it is for any championship sports team!

While most churches may have a "prayer ministry", Dennis and Betty Jo Conner believe most have not yet identified what the over-arching goal of that ministry is to be; and Jesus Christ's words in Matthew, Mark, and Luke make it clear that "...My house shall be called a house of prayer..." So the goal of Called to Serve is to assist the church pastor and leadership in the recommendation and implementation of "key" prayer-based steps that God can use to grow "people-of-prayer" into a "house-of-prayer"!

We invite you to review our website and contact us if the leadership and members of your church are hungry to experience a greater sense-of-connection with the Lord "in prayer". Becoming a "house of prayer" honors God, and His Word promises that He will honor those who honor Him. (1 Samuel 2:30)

The Praying Life Foundation

The mission of The Praying Life Foundation is to resource churches, ministries and individuals who are seeking to grow deeper in prayer. By providing books and other printed resources, as well as leading conferences and retreats, The Praying Life Foundation offers biblically based, theologically sound teaching to lead God's people into the deep truths about prayer laid out in His Word.

Its founder, author and speaker Jennifer Kennedy Dean, plays a unique role in motivating and teaching His people to pray. Jennifer's message revolves around the firm belief that Christians need not settle for "having a prayer life," but instead can learn to "live a praying life." When Christians learn that prayer is not an activity, but a life, then the power promised in Scripture will become real in their experience. For more information, contact:

The World Prayer Center

The World Prayer Center facility is open for the dedicated purpose of continual prayer, praise and worship for New Life Church, the greater Colorado Springs community, and visitors to our region. The chapel is open to all worshippers; with worship teams and prayer leaders scheduled regularly to focus on a variety of prayer needs. A lively atmosphere of worship can be experienced from the foyer to the courtyard as visitors gather together with overnight guests who have reserved suites or the more modest prayer closets for private time of concentrated prayer and fasting. Additionally, the facility houses a state-of-art-call center where volunteers can pray for people around the world, and we are honored that He has chosen us to serve the body of Christ in this way. For more information, contact:

Today, www.worldprayercenter.org is the site where people from all over the world can have their most urgent needs prayed for by a global community of thousands. This is real-time prayer, and it's happening, right now, at this very moment all over the world. The best news is that God is responding. Praise reports stream in weekly giving thanks to God for His mighty work in people's lives in response to thousands of prayers.

Windwalkers International (Formerly Intercessors for Alaska)

Windwalkers International, was born in 1990 as a network of intercessors committed to pray for the state of Alaska. As their vision enlarged, the focus became international. The mission of Windwalkers is to teach and train individuals to hear

and respond to the direction of the Holy Spirit in all levels of intercessory prayer by means of seminars, conferences, books, teaching tapes, TV and radio. It seeks to promote and strengthen prayer groups and church unity by providing prayer support to pastors and evangelists, and praying for communities and regions as the Lord leads. World Intercession Network (WIN) (NPC)

Sponsored through the Resource Development Center in Oklahoma City, OK, USA, WIN serves as a denominational prayer ministry for the International Pentecostal Holiness Church. The WIN office seeks to encourage and motivate the Body of Christ at large to pray fervently--pursuing intimacy with the Lord as they embrace the vision of becoming the "House of Prayer" God desires. Simple prayer tools include a monthly WIN "prayergram" (available to anyone who will really commit to use it for prayer purposes regularly), "The Link" (our denominational daily prayer calendar), The Closet Dwellers (a booklet on the "secret place" Christ spoke about in Mt. 6:6), and more. WIN regularly puts on prayer seminars and conferences. Tapes are available. For more information, contact:
